CPS - PDB

Parachutist Drop Bag

SUMMARY

The CPS Parachutist Drop Bag (PDB) is a multi-function, jumpable drop bag that can be configured for both Military Freefall and Static Line Operations. It can be rigged in the front- or rear-mounted positions, either as a single point release or using standard quick release attachments. The bag comes in three standard sizes or can be customized to meet user requirements.

Available in 4 versions
